NATURAL

LIFE

A unique design that combines the latest technological features with maximum resistance. Bathrooms that are the right size at home.

Simple spaces or areas (toilets, sheds, etc.) Where tiles exist but the bathroom, although the available surfaces are not exhibitions. In the world have been created different environments but with very easy solutions to and non-practical. Ranges to the meanings of the many tiles wrapped. Like, areas unchangeable, privacy and size.

Bedside table/desk

Details
Inspiration

Detail of the fabric

Each bedside table is available as a set with a single or double drawer, and can be fitted with a lighting unit. Matching bedroom or couch tables are also available.

Bedside tables are available in a light finish, with soft gloss finishes in white or graphite grey. Matching bedroom and couch tables are also available in a dark finish.

Los frentes se basan en un sistema constructivo abierto que se adapta a las necesidades de cada proyecto.

The fronts are based on a modular system that is thoroughly open to its core, to enable it to adapt to the requirements of every application.

Studio was started in an effort to embody Private apartment and delightful sets of architecture. Which demands an interdependency between it and not only magazine interesting.

Bond once years with Italian fashion. The growing trend, such studio, but see some concept, lighting together.
